Thank You...

Thank you for expressing interest in using Finance for your proposed solution. We are delighted to provide you with the following indicative quotation based upon the information you have provided. If you would like to proceed or require further information, please contact us.

Important Information aboutthis Quotation:

A detailed tax illustration showing the potential savings using Finance is available upon request. All figures exclude VAT and are for illustration purposes only. Finance subject to underwriting and full execution of documentation.

This agreement is subject to a Funder Documentation Fee and may also subject to a Funder Annual Administration Fee.

For **Hire Purchase** Agreements: Your First Payment will incur the Full VAT payable; this agreement will also subject to an Option to Purchase Fee.

How we are Paid for our Services:

In most instances we will not charge you any fee for this service as we are paid for our services principally by way of a brokerage commission, fee or incentive paid to us by the finance company (Commission).

The amount of Commission varies on the terms of the selected Finance Agreement and Finance Company. For certain finance companies, we do have influence over the interest rate, and this can impact the amount you pay under the agreement.

This Commission is paid directly to us by the Finance Company and is not an additional charge to those set out in your finance agreement, but it is included within the total repayments detailed (*) in that agreement.
