

School Sponsorship for Schools

We provide up to £12,000 sponsorship funding so children get proper educational facilities

SCHOOL SPONSORSHIP OPPORTUNITY

How It Works?

Our concept is straightforward yet impactful. We offer a unique opportunity for local businesses to sponsor your school by displaying their banners on the perimeter fence. This creates a win-win situation: businesses effectively reach their target audience whilst your school benefits from their support. Each advertisement is showcased on a 8ft x 4ft durable, weatherproof board.

The sponsorship package includes:

-  **Custom advert creation**
-  **Professional printing**
-  **Installation with weatherproof materials**
-  **Year-round maintenance**
-  **Facebook Ads for promotion**
-  **Businesses can choose to renew their sponsorship annually, ensuring ongoing support for your school.**

Benefits for Schools

Financial Support

Community Partnerships

Promotion of Local Talent
